COLUMBUS DAY!!!!!!**

Costume Deposits

Next month Costume Deposits will be due for the 2008 Recital in June.

These are due **NO LATER** than November 18th. Please do not bring these deposits in this month. If you plan on adding a class, please make sure that you decide this by November 1. All schedule changes will of course be done by that time.

The costume deposit is **\$30 per class for each child**. The remaining balance is then due in January when we get back from the break.

The total of the costumes usually runs between \$50-65 for each class. In December I order the costumes and pay for them in full, so once you have given me a deposit, you are responsible for the remaining balance. If you have any questions about this process, please see the front desk. The teachers are currently in the process of picking the costumes for each class.

I will start measuring for their costumes at the end of November.

Thank You.
