### Costume Deposits

Costume Deposits are due by November 16th for the June recital. Your costume deposit is \$30 per class that your child is in. This deposit is non-refundable. Once I receive a deposit from you, in December I order the costumes and pay for them in full. Once you have given me a deposit, you are responsible for the remaining balance, which is Due January 26.

I will have posters up when we get back from Christmas break with the pictures of all the costumes for you to see.

### Costume Measurements

During this month I will be coming around to each class to take the students measurements for their costumes. Obviously, I allow room for growth, especially the little ones who grow at a fast rate. The costumes usually arrive in April to allow for any alterations if need be. If your child has not been measured by the end of November, please let the front desk know. Thanks.

### CLASS SIZE

If there are any classes that still have less than 6 students in them, you might be combined with another class. We will call you if you are

Affected by this issue. This is usually done in Sept. or Oct., but due to the construction being so slow, this will be done this month as we are starting to measure for costumes. Please remember that tuition is late after the 10th of each month and the \$15 late fee will be applied to your account. The additional \$5 late fee will be applied after the 20th of the month. Thank you.

OUR EXTRA SPACE IS DONE! It is Suite #120. CHECK IT OUT!!! THANKS AGAIN FOR YOUR PATIENCE, YOU ALL HAVE BEEN GREAT!

Dancer of the Month is.....

JOCELYN DANIEL !!!!!!!

Jocelyn is 13 years old and is taking ballet, tap, jazz, lyrical, and MT. Your teachers have been noticing your great enthusiasm in class! Even when something is being marked in class, you still dance full out, WHAT EFFORT!!

### Special points of interest:

- We are having a problem with a lot of students coming late to class. I just wanted to remind you that if your student is more than 10 minutes late, he/she cannot take class. By this point they have missed part of warm-up and may get injured if they just come in to class without it. Thank you for your cooperation with this matter. This rule is for your student's health.
