

# DMDA

**DECEMBER 07**

### Costume Deposits

Costume deposits were due by last month. If your costume deposit is not in to me I will not be able to order your child a costume during the Break, and I do not want a student to have to miss out on recital. Thank You.

### Costume Measurements

Most of the students should be measured by this point. If your child was absent and has not been, please tell the front desk so we make sure we have them.

Thank You.

### Costumes

When you get back from Christmas Break I will have all of the costumes that have been picked out for each class on posters in the lobby. There will be the class time, day, and remaining balance next to each picture. Usually the costumes arrive in March or April, then they will be given to your child during class and tried on to make sure they are ok.

### Recital Months

Recital Dances will be started sometime in January. Please remember about the absence policy from January to June that is on the registration form.

There are only **5**

**absences** allowed in each class to be able to be in the recital.

Required school functions and sickness (if called in) are reasons for an excuse.

Remember you can do make-up classes to apply towards your perfect attendance medal, but that does not cancel out absences for recital requirements.

### Christmas Break

Christmas Break will be the same as your school schedule, December 24-Jan 6. Classes resume again January 7th.
