MARCH 2008

Well this year is going fast already!!! We just have a couple more months until recital so there is going to be a lot of different schedules posted on the boards so please come in and check on a regular basis. \*\*\*\*

### Picture Days and Costumes

I have the picture day schedules up for the May dates. Please check on schedules to see which day or days your pictures will be.

If you have not received some of your costumes yet, don't worry, you will get them within the month.

### Recital

We will be having 4

shows this year. Friday at 6:30, Saturday at 10:00 a.m., 2:00 and 6:30 p.m. Not everyone will be in all shows. The early morning show will only be little ones and a few of the Advanced classes. I am working on the schedules right now and will post them as soon as they are done. I added an extra show to keep the show length down. We have 71 classes and I do not want the show to be too long.

### T-Shirt Sign-Ups

I will have the sign up sheets for the recital T-shirts on the bulletin board very soon. The recital is titled "The Ripple Effect". All of the students at the studio will have their name on the back of the shirt.

### Pre-Registration

Pre-registration for next year's season begins May 1st. There will be a tentative summer and 2008-9 schedule out at this time for you to look at. Registration for next year's classes is \$15 per student (for continuing students) to hold your spot in a class. I highly suggest that you pre-register so you get the class and time that you want. When you register we will have a list at the front desk which class that your child should go to next so there will be no confusion for you.

Have a safe Spring Break with your

family and friends!!!!!!!!!!

### Special points of interest:

- Remember, if your child has perfect attendance they will get a medal at the recital. You can do make up classes for your missed classes, but remember you can only miss 5 classes from January to June to be in the recital. A make-up class only will help towards your medal, it will not erase the absences you have towards the recital. If you have questions about this, please ask.
