**April 2008!**

## Picture Days

Please check the picture day schedules to see if you are on May 17th, 18th, or 31st. or all three. Make sure that you are here 10 minutes before your assigned time, I must stay on a strict schedule on both of those days. Thank You.

## TICKET SALES

If you are a volunteer, you will be able to purchase tickets a week before the regular ticket sales. Your dates to buy tickets will be **May 14 & 15 only**. Please do not miss these early days because then you will have to wait for regular ticket sales which

starts **May 19—and goes until May 30**. **Ticket sales will be from 4:30-6:30 M-Thurs and 5-7 on Fridays.** All tickets are assigned seating.

## RECITAL ORDERS

I will have the recital orders up by the 2nd week of April. Please check these orders to make sure that you do not have back to back dances and that you have at least two in between. If you see a problem, please let me know ASAP so I can rearrange the order. You can also check what show

## DVD's

**The Friday and Saturday night show will be taped !**

We will be using the same guy as last year, he did a terrific job. Again we need 50 DVD's ordered per show to have him work it.

They are \$30 a piece.

## Costumes and Accessories

Dee's Dancewear will be coming in during the first week of May. and will bring shoes, tights, and everything you will need for the recital. Accessory notices for each class will be sent home so you know how to have your hair for each dance, what color tights, shoes etc. I will post the exact date as soon as it is set with them.

This will hopefully save you some driving time into town.

## Special points of interest:

- I have been having some people making long distance phone-calls on the courtesy phone in the lobby and last month it cost me a lot. This is not what this is for, it is a courtesy to the kids to call parents if they are running late. If this keeps happening I will have to shut that line down. Thank you for your cooperation in this matter.

Dancer of the Month is.....

**WYATT FRIEDBERG!!!!**

**Wyatt is 15 and is enrolled in Hip-Hop class. No matter what, he always shows great effort and dances full out every class. He is improving greatly and is such a great performer. GOOD JOB< KEEP IT UP!!!!!!!!!!!!**
