

DMDA

May 2008!

Picture Days

Please make sure you know the time of your child's pictures, either May 17, 18, or 31st or all three.

Thank you.

Pictures are here at the studio!!

Volunteer Sheets

There are still a few available spots left on the board for volunteering. Remember, you get to buy your recital tickets early if you help out. Your dates to buy tickets will be **May 14-15 only.** Please do not miss these early days because then you will have to wait for regular ticket sales which starts **May 19—and goes until May 30.** All tickets are assigned

seating. If you miss the ticket sales dates, there may not be any tickets at the door. There is an 8 ticket limit per show, per family. Thank you. We want to make sure everyone is able to see their child.

RECITAL ORDERS

If you have not done so already, the final orders of all four recitals are on the board. Please double check your class line-ups for the shows. If you have a quick change we will make sure you have someone to help. (quick change=1 or 2 dances in between.)

****RECITAL INFO****

All of your dress rehearsal and recital information will be handed out this month. Everything you will need to

know regarding those dates will be on that paperwork.

Costumes and Accessories

Dee's Dancewear will be coming in May 7th, and will bring shoes, tights, and everything you will need for the recital. Your accessory lists for each dance will be passes out in your class. If you are still missing any parts to your costume, I will make sure we get all those loose ends taken care of. Thank You.

REGISTRATION

Registration for next year's season begins this month. Next year's **TENTATIVE** schedule is out for you to look at. You can also register for summer camp at this time. Thanks!!! Next year's season begins August 11th.

Dancer of the Month is.....

HANNAH MARTIN!!!!

Hannah is a student of ballet, jazz, and lyrical and is also a part of the Violet Dance Co. here at DMDA. What terrific attendance, attitude, effort and concentration you have, which is showing

by your improvement in all of your classes. GOOD JOB!!

Special points of interest:

- Some of the students are getting very close to the 5 allowed absences to be in the recital. If you are getting close you will receive a notice in case you are not aware. Only school events for a grade and a called in sickness is excused. This is the rule and it is on your registration form.
- Thank You.
