

DMDA

DECEMBER 08

Costume Deposits

Costume deposits were due last month. I will be ordering all of the costumes in the next couple of weeks, so if we have not received a deposit, I cannot order your child a costume. If your order is placed late you would have to pay an additional \$10 per costume for shipping charges.

Costume Measurements

Most of the students should be measured by this point. If your child was absent and has not been, please tell the front desk so we make sure we have their measurements.

Please remember that tuition is late after the 10th of each month and the \$15 late fee will be applied to your account. The additional \$5 late fee will be applied after the 20th of the month.

Costumes

When you get back from Christmas Break I will have all of the costumes that have been picked out for each class on posters in the lobby. There will be the class time, day, and remaining balance next to each picture. Usually the costumes arrive by March or April, then they will be given to your child during class and tried on to make sure they are ok. Any necessary alterations will be done at this time.

Recital Months

Recital Dances will be started sometime in January. Please remember about the absence policy from January to June that is on the registration form.

There are only **5 absences** allowed in each class to be able to be in the recital. **No exceptions.** Required school functions and sickness (if called in) are reasons for an excused absence.

Christmas Break

Christmas Break will be the same as your school schedule, December 22-Jan 4. Please have a relaxing and safe holiday with your family.
