## MARCH 2009

Well this year is going fast already!!! We just have a couple more months until recital so there is going to be a lot of different schedules posted on the boards so please come in and check on a regular basis. \*\*\*\*

### Picture Days and Costumes

I have the picture day schedules up for the May dates. Please check on schedules to see which day or days your pictures will be. If you have not received some of your costumes yet, don't worry, you will have all parts by picture weekend.

### Recital

The recital will be at Boulder Creek High School this year. There is no way we

can be bumped again like last year, I have all the paperwork from the district so we are set in stone. There will be 3 shows. Friday night is everyone, the Sat. 11:00 show will only be little ones and a few of the Advanced classes. Saturday evening will be the older age groups only. Recital orders will be posted in April.

### T-Shirt Sign-Ups

Sign up sheets for the recital T-shirts are on the bulletin board. The picture of the shirt is on the bulletin board for you to see. You have until March 31st to order a shirt. All of the students at the studio will have their name on the back of the shirt.

### Volunteer Sign-Up

The volunteer sheets are up on the bulletin boards. I need about 80

Volunteers per show for different jobs, and remember if you volunteer you get to buy your recital tickets a week before regular ticket sales!! Your help is always greatly appreciated!

### Pre-Registration

Pre-registration for next year's season begins May 1st. There will be a tentative summer and 2009-10 schedule out at this time for you to look at. Registration for next year's classes is \$20 per student (for continuing students) to hold your spot in a class. I highly suggest that you pre-register so you get the class and time that you want. When you register we will have a list at the front desk which class that your child should go to next so there will be no confusion for you.

Dancer of the Month is.....

**ISABELLA HAE LIN!!!!!!!!!!!!**

Isabella is 12 and is showing tremendous progress in her classes, ballet, jazz, hip-hop, and lyrical. Your great attitude and effort in class is helping you to improve and your teacher noticed!!!!  
**GOOD JOB ISABELLA!!!!!!!!!!!!**

### Special points of interest:

- Remember, if your child has perfect attendance they will get a medal at the recital. You can do make up classes for your missed classes, but remember you can only miss 5 classes from January to June to be in the recital. A make-up class only will help towards your medal, it will not erase the absences you have towards the recital. If you have questions about this, please ask.
