April 2009

## TICKET SALES

If you are a volunteer, you will be able to purchase tickets a week before the regular ticket sales. Your dates to buy tickets will be **May 13 & 14 only**. Please do not miss these early days because then you will have to wait for regular ticket sales which starts **May 18—and goes until May 29**. **Ticket sales will be from 4:30-6:30 M-Thurs and 4:30-6:00 on Fridays.** All tickets are assigned seating.

## RECITAL ORDERS

The recital orders are up for you to look at. Please check these orders to make sure

that you do not have back to back dances and that you have at least two in between. If you see a problem, please let me know ASAP so I can rearrange the order.

## DVD's

The Friday and Saturday night show will be taped. We will be using the same guy as last year, he did a terrific job. Again we need 50 DVD's ordered per show to have him work it. They are \$30 a piece.

## Costumes and Accessories

Dee's Dancewear will be coming in during the first week of May. and will bring shoes, tights, and everything you will need for the recital. Accessory notices for each class

will be sent home so you know how to have your hair for each dance, what color tights, shoes etc. I will post the exact date as soon as it is set with them. This will hopefully save you some driving time into town.

## Registration

Please be aware when you come to register that you do not necessarily move to a different class each year. You are placed where you will benefit the most from your class. This does not mean you are not improving or that you are not doing a good job. The A,B, or C should not matter to you. We as teachers make sure you will be where you need to be!!!!

**Registration begins May 1st for the 2009-10 Season!!!!!!**
