June 2009!

TUITION

Please remember that full tuition is due for the month of June. All accounts with balances due must be payed in full by dress rehearsal day, thank you.

RECITAL INFO.

I Please be aware that there are two different dress rehearsal schedules so make sure you get the one that is for your child. The Dress Rehearsal line-up is by the front bulletin board Please remember that Dress Rehearsal is **MANDATORY, no exceptions.** You must be in full-make-up and in costume. Please make sure that you have made any alterations to your costumes by this time. Please do not be late at the scheduled times since this is a very long day and I stay on schedule. Please check the show orders so you know what shows your child is in. Everyone is in a minimum of two shows and others are in all.

Please remember that you must sign your child in/out when you drop off and pick up. Thank you for being patient with this so we can keep your child safe. If you have any questions please ask.

Volunteers

All lobby volunteers (ticket takers etc.), need to be at the school an hour before the show unless we tell you otherwise. All backstage helpers must be there when the kids arrive, (which is a half hour before each show). Again, I thank all of the volunteers for your help. The recital would not be possible without you. Your time and effort is greatly appreciated.

Recital Tickets

If you missed the days that recital tickets were on sale you can get them at the ticket booth right before that recital time. They are \$15 at the door. **Friday nights recital is sold out,** so please check what other show your child is in on Saturday and you will have to get the tickets at the door.

SUMMER CAMP AND THE 2009-10 SEASON

You can still register this month for the \$20 rate (all returning students), and you can also register for the summer camp which is July 6-16. There are still openings for all ages and levels. Don't forget to pre-register because if you wait until August to sign up it will be a \$25 registration fee.

Recital Audiences

If I can put in a request from you and your families as they come to watch recital this year. All of the students have worked hard and I realize a couple of the shows are long and you really came to watch your child, but I know that a lot of the dancers have mentioned to me that they don't like that by the end of the show a lot of the parents have left if their child has already danced. They want to show off their hard work to everyone. If you can stay longer and give the other children support I know the kids would be really happy!!!! They enjoy the applause!!!!!!
